

Internship Opportunity

Stryker is looking for Interns

Stryker is one of the world's leading medical technology companies and **together with our customers, we are driven to make healthcare better**. The Company offers a diverse array of innovative medical technologies, including reconstructive, medical and surgical, and neurotechnology and spine products to help people lead more active and more satisfying lives.

Stryker, a world leader in Medical Technology, offers you the opportunity to advance professionally while making a difference in your community and worldwide. Your contribution will be vitally important as we design, manufacture and deliver innovative products and solutions that help medical professionals restore health to millions of people globally.

13.6 billion dollars turnover, 36'000+ employees around the world, presence across more than 100 countries are only few of the statements that describe the company ranked # 5 in 2017 by the prestigious FORTUNE Magazine on the "World's Most Admired" list in the "Medical and Other Precision Equipment" industry. In October 2017, Fortune magazine, in partnership with Great Place to Work (GPTW), named us one of the 25 World's Best Workplaces. This was our first appearance on the list, and we ranked #10 and for the second year in a row Stryker has been named one of the 25 World's Best Workplaces and we ranked #12 in 2018.

If you're enthusiastic for a professional experience in an international company for a meaningful purpose, join the Stryker family!
